Dear Parents,

Challenges continue as we make our way into the second half of the autumn term. Challenges aside, I am so proud of staff and their hard work they have put in, to continue to make school a safe and fun place to be. The support that we receive from you and the community has enabled us to run as normal as possible in these times and provide an education for your children, thank you.

Best Wishes,

Sara Shepherd

Headteacher

The outdoor learning continues to be a big focus for us which was celebrated with Outdoor Classroom day last week.

Notices

If you need to speak to your child's teacher or have a query please call the school office or email :-
info@hasbury.dudley.sch.uk

We have thought long and hard about Christmas cards and have made the decision to not encourage your child to bring Christmas cards into school. Children at school will be unable to give cards out. For a few years now staff have chosen to donate to a charity rather than send cards. We have a large paper tree, staff make a donation and write a message of hope that is then put onto the tree. This year, we would like to roll this out across school with each class having a large paper tree waiting to be decorated with children's paper baubles (provided by school), once your child has donated. Could all donations be brought in with your child in a clearly marked envelope.

Covid testing

If you have any test, positive or negative, or are self isolating please can you contact the school office during school hours on 01384 818660 and email info@hasbury.dudley.sch.uk out of school hours to keep us up to date. You will be notified of any cases if it directly effects your child. Thank you.
