LIVING LIFE IN ALL ITS FULLNESS

3rd May 2023

Dear Parents,

I hope this newsletter finds you all well. I am very aware that I often say it has been a busy few weeks, but it really has!

We played our last league football match last Monday, well done to the football team for their performance and perseverance over the last 6 months. Some games might not have gone as you would have hoped but you held your head high at all times.

We look forward to competing in our upcoming netball matches, good luck.

Plans are well on their way for the Coronation celebrations being held on **12th May from 13.00pm**, hopefully you have all received the letter that was sent out earlier this week. We would like to offer refreshments therefore if anyone would like to donate any bought/homemade bakes that would be greatly received.

All curriculum newsletters will be with you by the end of next week. The termly newsletters are a way of us communicating to you what your child will be learning throughout the term. Our school website holds all the relevant information that will provide you with more detail. Please see the Parents' tab and the curriculum section for more information.

Year 6 have their SATs week commencing 8th May 2023. I would like to take this opportunity to wish them all the best.

Thank you for your continued support.

Mrs Shepherd

LIVING LIFE IN ALL ITS FULLNESS

Year 3 had an amazing time this week during their visit to Wroxeter. They got to stand where Romans had exercised, bathed and even where they'd been to the toilet! They saw the remains of the underfloor heating system, but no one fancied the job of cleaning it out which Roman children were made to do. They visited the replica Roman villa which was built using the same techniques as the Romans used, then finished off the day handling real Roman artefacts. It was amazing to think that we were holding items that had been made 1,800 years ago by the Romans. We even saw and touched the paw print of a Roman dog!

This week, year 4 have enjoyed a trip to Cosford to help them with their History topic. Once again the children behaved impeccably.

Year four have raised enough money to sponsor a guide dog, Olive, for two years. After watching a news article about the shortage of guide dogs the children sprung into action. This is a fine example of courageous advocacy. Well done year four.

Diary Dates:

- Monday 8th May 2023 – **SCHOOL CLOSED** Coronation Bank Holiday
- Tuesday 9th – Friday 12th May 2023 Y6 SATS Week
- Friday 12th May 2023 – Coronation Celebration 1.00pm
