Reception, Year 1 & 2 MULTI-SPORTS CLUB

Dear Parents,

We are pleased to announce the start of **YOUR SPORT'S, Multi-Sport After School Club**. The club will run for the through the year, giving your child the chance to participate in organised sporting activities.

Each week the coaching focus will relate to a different sport, designed to create a fun and enjoyable environment for the children to enjoy each session. The sessions will end in small-sided games where the children can put their skills to the test!

As qualified coaches we will provide a high level of coaching, however the main emphasis in these sessions is on FUN!

For more information regarding our wide range of sporting activities please feel free to email us at your.sport@yahoo.co.uk

Details of the after school club at your school are as follows:
