LIVING LIFE IN ALL ITS FULLNESS

28th January 2022

Dear Parent/Carer,

We would like to invite you into school to attend a Math's workshop. The session will outline our approach to teaching Maths at St Margaret's and also give you an opportunity to work with your child on Maths' activities. As we are trying to restrict the number of people in school at this time, we are holding three sessions. There are ten places available on each session. We ask that only one adult per child attends. The sessions are being held on **Wednesday 16th, Thursday 17th and Friday 18th February 2.30pm-3.10pm.**

If you would like to attend a session please complete and return the form below, indicating the session you would like to attend. The slots will be booked on a first come first serve basis. If there are low numbers on one of the days then we may contact you to ask you to swap onto another session.

Regards

Mrs Hill
